

WEM26 Together

Terms and conditions / 2nd October 2026

WEM26 Together is a promotional offer from World Extreme Medicine Limited for eligible full three-day tickets to the World Extreme Medicine Conference at Dynamic Earth, Edinburgh, from 14th to 16th November 2026. These terms explain how to qualify for and use the offer.

1. The offer

Book 2 eligible three-day tickets together and save 5% on the combined price of those tickets using **GET2WEM26**. Book 3 or more eligible three-day tickets together and save 10% on their combined price using **GET3WEM26**.

GET2WEM26 applies to a booking containing exactly 2 eligible tickets. GET3WEM26 applies to a booking containing 3 or more. Only one Together code may be used per order. The 10% discount replaces the 5% discount; the two rates are not added together.

2. Eligible tickets

The offer applies to WEM26 full three-day Medic, Student and Intermediate tickets. Eligible ticket categories may be mixed in the same order. Each attendee must meet the normal eligibility requirements for their ticket category.

One-day and two-day tickets do not qualify. The offer does not apply to other courses or events, memberships, merchandise, digital products, social events including the ceilidh, accommodation, travel or any other extras. These items do not count towards the qualifying ticket quantity.

3. Booking together

All qualifying tickets must be added to the same basket and purchased in one transaction. Tickets bought in separate orders cannot automatically be combined to qualify for the offer. A later separate purchase does not automatically increase the discount on an earlier booking.

The offer is available to friends, colleagues and teams. Each ticket must be registered for an individual attendee through the normal booking process. Tickets remain subject to availability.

4. How the discount is calculated

The discount is calculated on the combined price of the eligible three-day tickets in your order at the time of purchase. It is not a discount on unrelated products or extras in your basket. Those items remain at their usual price.

The discount and final order total will be displayed at checkout before payment. The offer cannot be combined with another discount code. The promotional discount cannot be exchanged for cash.

5. How to use your code

Enter the appropriate code in the coupon field and select Apply coupon before completing payment. Check that the discount appears in your order total. Clicking a Copy code button only copies the code; it does not apply the discount.

If you add or remove tickets before paying, check that you still meet the conditions and use the correct code for the number of eligible tickets. If a code does not work, contact our team before completing your booking.

6. Offer period

The offer applies to new qualifying bookings made while the WEM26 Together promotion is available on our website. Bookings must be completed by 23:59 on 13 November 2026, UK time. Both codes expire at 00:00 on 14th November 2026, UK time.

Adding tickets to your basket or copying a code before the deadline does not extend the offer period. The promotion does not guarantee ticket availability.

7. Bookings and missed codes

The WEM26 Together offer is valid from 2nd October 2026 until 23:59 on 13th November 2026, UK time. It applies to qualifying bookings completed during this period.

If your booking qualified for the offer but you forgot to enter the code, please contact our team within 24 hours of purchase. We may review the request in line with our conference booking conditions. Any agreed adjustment will take account of the amount originally paid and any discount already applied.

8. Cancellations refunds and changes

The conference booking conditions accepted when you booked continue to apply, including the conditions for cancellations, refunds, transfers and changes of ticket type. This promotion does not create an additional right to cancel or transfer a booking.

Where a refund is due, it will be based on the amount actually paid for the affected ticket after discount, subject to the applicable booking conditions and your statutory rights. Please contact our team before requesting changes to a group booking.

9. Other booking conditions

These promotional terms should be read alongside the World Extreme Medicine Conference booking conditions. These terms explain the Together offer; the conference booking conditions govern the wider booking. Nothing in these promotional terms affects your statutory rights.
